I understand that you have invested many years to learn, create and refine the systems and strategies that you're going to teach me and my team in this program - and that the information I'm going to get in this program is very valuable. I agree to respect you and this training, to attend the live online trainings, and report back my progress as I implement what I learn.

100% GUARANTEE: I also understand that I have a generous full month to decide whether or not the Funeral Relations Mastery program is for me, and that I can ask for a full refund anytime in that 30-day period - and KEEP all the training I receive up to that point as my gift. I also understand that if in 365 days from now, my firm hasn't received one additional call as a direct result of the Funeral Relations Mastery program after using this program and taking the simple action steps that you have outlined, you will give me every dollar back that I paid you for this program. I agree that I'm committed and I'm going to stay with the program all the way through to the end!
